Hands-On Learning Opportunities for Saxon Math Students!
A Complete Math Learning Center for Grades 1–5:

- Aligns to Saxon Math lessons
- An ideal resource for enrichment
- Requires minimal preparation for the teacher
- Contains a unique self-correction feature for immediate feedback
- Comes in a convenient and portable storage unit

How to Use:

1. Remove the colored disks from the Learning Palette.
2. Position card, question side up, on the Learning Palette.
3. Answer each question by placing its corresponding colored disk in the slot containing the correct answer.
4. When all questions have been completed, the card can be turned over to check answers. If done correctly, the colors on the card will match those of the disks.
How to Use:

1. Use the string to match math problems with their answers.
2. Flip the wrap-up over to check your answers.

Hands-on Fact Practice:

- Supports *Saxon Math* lessons
- Helps students reach computational fluency
- Promotes speed and accuracy

Included in *Saxon Math* Grades 1–3 core curriculum kits. Also available separately.

Sold in sets of 8 for Math 1–Math 4 and in classroom sets of 30 for Intermediate 3–5.
